 **LUTHER NIERER**
RECHTSANWÄLTE PARTNERSCHAFT

Who we are

■ The law firm LUTHER WILLMA BUCHHOLZ BAIERLEIN NIERER, is a medium-sized partnership specialising in commercial law.

■ Our firm has its base in the International Centre of Commerce in Berlin-Mitte, in the government quarter of the capital city of Germany.

■ The location reflects the economic importance of Berlin, and is the starting point for the national and international activities of our lawyers.

What we stand for

■ We have wide experience, both nationally and internationally, in advising on and providing professional support in complex building and industrial projects. We enjoy the confidence of our clients through our pronounced understanding for business economic and complicated technical relationships.

■ We regard legal advice and representation as a comprehensive service. The size of our law firm and the specialisation of our partners guarantee the highest possible measure of quality of legal advice and, at the same time, personal contact between lawyer and client.

■ Individual consultation and availability of contact at all times are a part of the philosophy of our partnership.

■ A marked team spirit and entrepreneurial thinking contribute to the development of practice-orientated and professional solutions for the diverse requirements of our clients.
